The Deferred Tax (Asset) / Liability of ₹ (465.65) Lakhs (PY: ₹ (926.08) Lakhs) has been provided for the year 2024-25.

5. MANAGEMENT DISCUSSION AND ANALYSIS

TRADE CONDITIONS

5.1 COTTON

The cotton production in India for the cotton season 2023-24 was 327 lakh bales (170 Kgs) compared to 319 Lakh bales, representing a 3% increase.

At the beginning of the cotton season 2024-25, the CAI estimated the cotton crop for the new season to be 302 Lakh bales (compared to the previous year's 327 Lakh bales). However, the actual cotton arrivals in the market reached 291 Lakh bales. The Cotton Corporation of India (CCI) covered 100 Lakhs bales during 2024-25 and further increased the MSP price per quintal of medium staple cotton and long staple cotton by 8% and 7% respectively. Despite some price correction in cotton, the fall in yarn prices was much sharper, leading to a wider disparity that affected the margins of yarn spinners across India.

International Cotton Prices were traded in the range of 78.18 US Cents per LB to 99.74 US Cents per LB compared to domestic cotton which traded in the range 76.80 US Cents per LB to 93.32 US cents per LB.

The Company strategically shifted its focus to more value-added counts, and imported more high-quality cotton when prices were at reasonable levels. This strategy helped the Company procure diversified varieties of cotton from across the globe and offer competitive prices for its yarn. In February 2024, the Government of India exempted Customs duty on the import of Extra Long Staple Cotton exceeding 32 mm, enhancing the competitiveness of Indian exporters for premium products.

DIRECTORS' REPORT

5.2 YARN PRODUCTION

The production volume of yarn has increased to 64.81 Lakhs Kgs during the financial year 2024-25 as against 57.88 Lakhs Kgs of last year, due to better utilization.

5.3 SALE OF YARN

During FY 2024-25, the Company's sale volume was 65.13 Lakhs Kgs as against 59.33 Lakhs Kgs of previous year. The sale value of yarn increased to ₹ 282.08 Crores during the FY 2024-25 as compared to ₹ 245.73 Crores of last year.

Due to geopolitical challenges and sluggish market demand for cotton yarn, there was severe hit in margins for Spinning Mills. This situation forced many spinning mills across India to operate at lower capacity, with many spinning mills cutting down their production due to huge losses in yarn production. However, the Company's focus on producing a flexible and wide range products helped it to protect its sales volume during this sluggish period. Further, the red sea crisis has caused significant impact on Exports resulting higher freight cost, insurance cost and shipping delays.

The Company's focus on strengthening its infrastructure to produce diverse products, including various high-quality value-added yarn and collaborating with customers to manufacturer innovative products helped it maintain capacity utilization and sales volume in export market. Sale Volume of value-added yarn such as Elitwist, Gassing, High Twist, Melange, Core Yarn and Mercarized Yarn to 610 Tonnes during the FY 2024-25, a 78% growth from 341 Tonnes during the previous year.

5.4 EXPORTS

The Company has made export of Cotton Yarn (including merchant exports) during the Financial Year 2024-25 with a value of ₹ 43.32 Crores as compared to ₹ 61.59 Crores in the previous year. The Company's focus on Product enhancement through technology advancement, traceability of entire production process, continuous customer-centricity and production of unmatched quality helped it to maintain export Volume.

Your Directors are thankful to M/s. Sektas Tekstil Sanayi Ve Ticaret A.S., Turkey, KB22 Inc., United States of America, M/s. Lameririnho Industria Testil S.A, Portugal and M/s. Somelos Tecidos SA, Portugal and for their continued support and efforts for promotion of exports.

5.5 POWER COST

During the financial year 2024-25, the Company was able to consume power from its own wind farms to the extent of 51% (PY: 52%) of the total power requirement. The power cost

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

DIRECTORS' REPORT

increased during the financial year 2024-25 to ₹ 24.66 Crores, compared to ₹ 23.85 Crores in the previous year, due to increase in the power tariff by Tamil Nadu Electricity Board (TNEB). In order to mitigate the higher power cost, the Company made arrangements with Solar Power developers for supply of 4 MW of power on long-term basis at a fixed cost under group captive arrangement, which is cheaper as compared to TNEB's Rate.

5.6 FINANCE COST

The Finance cost has decreased to ₹ 22.17 Crores during the financial year 2024-25 from ₹ 23.29 Crores in the previous financial year mainly due to reduction in cost of borrowings.

5.7 DIVIDEND INCOME

During the financial year 2024-25, the Company has received dividend income of ₹ 77.58 Lakhs (PY: ₹ 62.27 Lakhs) and the particulars of dividend received are provided under Note No.46(a)(iv).

6. MODERNISATION / EXPANSION

During the FY 2024-25, the Company has invested an amount of ₹ 2.74 Crores in modernizing Carding, Cone Winding, Rewinding Machine, Fire Alarm, Smoke Detector etc., which has been funded from internal cash accruals and term loan from Banks.

7. PROSPECTS FOR THE CURRENT YEAR

The volatility in cotton prices continues, with prices of both cotton and yarn experiencing wide fluctuations. According to data published by the Foreign Agricultural Service of USDA, world cotton production for the 2025-26 season is expected to decrease by 3% on account of lower projection in production for China, India, Turkey, Egypt and Australia. However, global cotton consumption is projected to grow by 2.70% on account of larger global cotton supplies, replenishment of inventories across the textile and product supply chain, and prospects for global economic growth.

The Company is continuously monitoring various process parameters and implementing various system controls to deliver consistent quality yarn to end customers and leading brands. Strengthening its product lines with more value-added customized yarn counts such as Modal, Tencel, High Twist, Elitwist, Bamboo, and Mercerized Yarn will help the company mitigate the impact of falling demand for commodity counts. Over the last 5 years, the volume of value-added products has increased from 6% to 10%.

The Company's modernization of spinning machines is expected to help the Company to grow its topline and protect the margins during the current year. The Company's spinning capacities are expected to complement each other in the coming years and enable the Company to offer wide

DIRECTORS' REPORT

range of textile products in a quick turnaround time. Many brands in domestic and international markets are approaching the Company for sourcing yarn. The Company has secured "A Grade" in Social Audit Compliance and leading brands in Domestic and International Markets are approaching the Company for sourcing yarns. The Company is confident that these measures will help to post a decent growth in its top line and enable sustainable profitability in the years ahead.

8. WIND MILL

The Company has windmills with installed capacity of 13.35 MW for its captive power consumption. During the FY 2024-25, the wind farm generated 201 Lakhs Kwh, which is lower than 248 Lakhs Kwh generated in the previous year. This was due to low wind velocity during the current year. All the Units generated by the windmills were adjusted for captive consumption at our Mills. The income generated by the Wind Mill Division during the year was ₹ 16.13 Crores, as compared to ₹ 16.53 Crores in the previous year.

9. ASSOCIATE COMPANY

The Company has three Associate Companies viz., M/s. The Ramco Cements Limited, M/s. Rajapalayam Mills Limited and M/s. The Ramaraju Surgical Cotton Mills Limited

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards, of the State of Affairs ("Financial Position") of the Company as at 31 March 2025, its Loss ("Financial Performance including Other Comprehensive Income"), Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the Standalone Financial Statements, Consolidated Financial statements and our audit report thereon.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of the Standalone Financial Statements that give a true and fair view of the Financial Position, Financial Performance (including Other Comprehensive Income), Changes in Equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We, also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal Financial Controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) To evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, based on our audit, we report to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company as far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the Directors as on 31 March 2025 and taken on record by the Board of Directors, none of the Directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. We have enclosed our report in "Annexure B" with respect to the adequacy of the Internal Financial Controls over financial reporting of the Company and the operating effectiveness of such controls. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('Act')

Opinion

We have audited the Internal Financial Controls over financial reporting of Sri Vishnu Shankar Mill Limited. ("the Company") as of 31 March 2025, in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on 31 March 2025.

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibility for Internal Financial Controls

The Company's Management and Board of Directors are responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibilities

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the SAs, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls and, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over financial reporting includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of Management and Directors of the company; and
- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO SEPARATE FINANCIAL STATEMENTS

1. Corporate Information

Sri Vishnu Shankar Mill Limited (“the Company”) is a Public Limited Company within the meaning of the Companies Act, 2013, domiciled and headquartered in India. The Registered office of the Company is located at Sri Vishnu Shankar Mill Premises, P.A.C. Ramasamy Raja Salai, Rajapalayam - 626 117, Tamil Nadu.

The Company is engaged in manufacture of Cotton Yarn. The Company is also engaged in generation of electricity from its windmills for its captive requirements.

2. Presentation & Rounding Norms

The financial statements of the Company for the year were approved and adopted by Board of Directors of the Company in their meeting dated 29-05-2025.

The financial statements are presented in Indian Rupees, which is the Company's functional currency, rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.

Previous year figures have been re-grouped / restated, wherever it may be appropriate.

3. Statement of Ind AS Compliance

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015, as amended from time to time, presentation requirements of Division II of AS compliant Schedule III to the Companies Act, 2013.

4. New standard or amendments to the existing accounting standards issued and effective from 01-04-2024 onwards.

(a) Ind AS 117 on Insurance Contracts

The Ministry of Corporate Affairs (MCA) has notified Ind AS 117 - Insurance Contracts, replacing Ind AS 104, effective for annual reporting periods beginning on or after 1st April, 2024. The standard applies to insurance contracts and certain financial instruments that transfer significant insurance risk. Ind AS 117 specifically excludes financial guarantee contracts unless the issuer has previously asserted that such contracts are treated as insurance contracts and has applied insurance accounting. In such cases, the issuer is permitted to make an irrevocable election, on a contract-by-contract basis, to apply either Ind AS 117 or the relevant financial instruments standards viz. Ind AS 32, Ind AS 107, and Ind AS 109.

The Company does not issue insurance contracts in the ordinary course of business and has not previously treated any financial guarantee contracts as insurance contracts. Accordingly, financial guarantee contracts continue to be accounted for under Ind AS 109 Financial Instruments.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

As a result, the adoption of Ind AS 117 has no impact on the financial statements for the year ended 31st March, 2025.

(b) Ind AS 116: Sale and leaseback transaction amendment

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which introduced amendments to Ind AS 116 - Leases, effective from 1st April, 2024. These amendments specifically address the accounting for sale and leaseback transactions involving variable lease payments not based on an index or rate.

The amendment introduces paragraph 102A, which provides guidance on the subsequent accounting for lease liabilities and Right of- Use (ROU) assets arising from such transactions. However, as the company does not currently have any sale and leaseback transactions, this amendment does not have any impact on the company's financial statements for the year ended 31st March, 2025.

5. Material Accounting Policies

A. Inventories

- (i) Raw-materials, Stores & Spares, Fuel, packing materials etc., are valued at cost, determined on a weighted average basis, or net realisable value whichever is lower. However, these items are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- (ii) Process stock is valued at weighted average cost including the cost of conversion with systematic allocation of production overheads based on normal capacity of production facilities but excluding borrowing cost, or net realisable value whichever is lower.
- (iii) Finished goods are valued at cost or net realisable value whichever is lower.

B. Statement of Cash Flows

- (i) Cash flows from operating activities is presented using Indirect Method.
- (ii) Cash and cash equivalents for the purpose of Statement of Cash Flows comprise cash and cheques in hand, bank balances, demand deposits, with banks where the original maturity is three months or less and other short-term highly liquid investments, which are subject to insignificant risk of changes in value.
- (iii) Bank borrowings including Bank overdrafts / Cash Credits, which are repayable on demand, form an integral part of the Company's cash management.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

C. Income Taxes

- (i) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the tax rates (and tax laws) that have been enacted at the reporting date.
- (ii) Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- (iii) Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- (iv) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- (v) Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- (vi) Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in Other Comprehensive Income.

D. Property, Plant and Equipments (PPE)

- (i) PPEs are stated at cost of acquisition or construction less accumulated depreciation and impairment losses if any, except freehold land which is carried at cost. The cost includes directly attributable cost of bringing the asset to its working condition for the intended use and borrowing cost if capitalisation criteria are met.
- (ii) Spares, which meet the definition of PPE, are capitalised from the date when it is available for use. The Company identifies the significant parts of plant and equipment separately, which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives.
- (iii) The present value of the expected cost for the decommissioning of PPE after its use, if materially significant, is included in the cost of the respective asset when the recognition criteria are met.
- (iv) Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

- (v) The Company follows the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical advice, as detailed below:

Type of Plant and Machinery	Useful life of such components ranging from
Textile Machineries / Equipment	02 to 20 years
Wind Mills	22 to 30 years
HFO / DG Set	12 to 25 years
Electrical Machineries	03 to 25 years

- (vi) PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balance cash transaction amount. Fair market value is determined either for the assets acquired or for asset given up, whichever is more clearly evident.
- (vii) Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight-line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value, except for process control system whose residual value is considered as Nil.
- (viii) Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion / disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- (ix) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

Capital Work-in-Progress / Capital Advances

- (x) Capital work-in-progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.
- (xi) Advances given towards acquisition / construction of PPE outstanding at the reporting date are disclosed as 'Capital Advances' under 'Other Non-Current Assets'.

E. Leases

Company as a Lessee

- (i) The Company recognises a Right-to-use (RoU) asset and a lease liability at the lease commencement date for all leases where non-cancellable leases is more than 12 months.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

- (ii) The RoU asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of right-of-use asset or the end of the lease term, as follows:

Nature of RoU	Useful life ranging from
Land	99 Years
Building	20 Years

- (iii) The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.
- (iv) The lease liability is measured at amortised cost using the effective interest method. It is re-measured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase extension or termination option.
- (v) When the lease liability is re-measured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit or Loss if the carrying amount of the right-of-use asset has been reduced to zero.
- (vi) The Company presents right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities as a separate line item on face of the Balance sheet.
- (vii) The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Lease Improvement

- (viii) Lease improvements on a right-of-use asset (RoU) made by the Company, which enhance the value, functionality, or extend the useful life of the leased asset, shall be recognized as assets and capitalized in the same category of RoU asset under 'Property, Plant and Equipment', if capitalization criteria are met.
- (ix) Lease improvements recognized as assets shall be initially measured at cost, which includes all directly attributable costs incurred to bring the improvements to their present condition and location.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

- (x) The lease improvements on RoU assets are depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of lease improvement or the end of the lease term.

Company as a Lessor

- (xi) Operating lease receipts are recognised in the Statement of Profit and Loss on straight line basis over the lease terms except where the payments are structured to increase in line with the general inflation to compensate for the expected inflationary cost increases. The Company do not have any finance leases arrangements.

F. Revenue from Operations

(i) Sale of Products including Scrap Sales

Revenue from product sales including scrap sales is recognized at the point in time when the obligation of delivery of goods is fulfilled in accordance with the agreed delivery terms while control of such goods is transferred to customers. The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring goods to the customer. The Company provides discounts to customers on the achievement of the performance criteria based on agreed terms and conditions. There is no significant financing component with regard to sale of products for the company as per Ind AS 115. The Company does not have any non-cash transactions.

(ii) Power generated from Windmills

Power generated from windmills that are covered under Wheeling and Banking arrangement with TANGEDCO are consumed at mills. The monetary values of such power generated that are captively consumed are not recognized as revenue but have been set off against the cost of Power & Fuel.

The value of unadjusted units available if any, at the end of the financial year and sold to the Electricity Board at an agreed rate / tariff rate are recognized and shown as income from Wind Mills.

G. Other Income

- i. Interest income is recognised using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period where appropriate, the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

- ii. Dividend income is recognised when the Company's right to receive dividend is established.
- iii. Rental income from operating lease on investment properties is recognised on a straight-line basis over the term of the relevant lease.

H Employee Benefits

Short Term Employee Benefits

- (i) Short-term employee benefits viz., Salaries and Wages are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

Post-Employment Benefits

Defined Contribution Plan

- (ii) The Company contributes monthly to Employees' Provident Fund & Employees' Pension Fund administered by the Employees' Provident Fund Organisation, Government of India, at 12% of employee's basic salary.
- (iii) The Company contributes to Superannuation Fund at a sum equivalent to 15% of the officer's eligible basic salary as the case may be, based on the option exercised by such officers.
- (iv) Contributions to Provident Fund and Superannuation Fund are recognized as an expense in the Statement of Profit and Loss for the year in which the employees have rendered services. There are no further obligations except for the above said contributions.

Defined Benefit Plan

- (v) The Company contributes to Defined Benefit Plan viz., an approved Gratuity Fund, for its employees including employees in subsidiary Company. It is in the form of lump sum payments to vested employees on resignation, retirement, death while in employment or on termination of employment, for an amount equivalent to 15 days' basic salary for each completed year of service. Vesting occurs upon completion of five years of continuous service. Based on the valuation by an independent external actuary, the Company makes annual contributions to the trust administered by the Company as at the reporting date using Projected Unit Credit method. The funds are managed by LIC of India.
- (vi) Re-measurement of net defined benefit asset / liability comprising of actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged / credited to other comprehensive income in the period in which they

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

arise and immediately transferred to retained earnings. Other costs are accounted in the Statement of Profit and Loss.

Other Long Term Employee Benefits

- (vii) The Company provides for expenses towards compensated absences provided to its employees. The expense is recognized at the present value of the amount payable determined based on an independent external actuarial valuation as the Balance Sheet date, using Projected Unit Credit method. The Company presents the entire compensated absences as 'Short-Term provisions' since employee has an unconditional right to avail the leave at any time during the year.
- (viii) Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits at the earlier of the following dates: (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the Company recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

I Government Grants

- (i) Government grants are recognised at fair value where there is a reasonable assurance that the grant will be received and all the attached conditions are complied with.
- (ii) In case of revenue related grant, the income is recognised on a systematic basis over the period for which it is intended to compensate an expense and is disclosed under "Other Income" or netted off against corresponding expenses wherever appropriate. Receivables of such grants are shown under "Other Financial Assets".
- (iii) Government grants related to assets have been deducted in arriving at the carrying amount of the respective assets.
- (iv) Government grants for creation of infrastructure in the backward areas under State Industrial Promotion Scheme, it is recognised as deferred Income and Credited to the Statement of profit and loss on a systematic basis over the useful life of the asset.
- (v) Export benefits are accounted for the year of exports based on eligibility and when there is uncertainty in receiving the same. Receivables of such benefits are shown under "Other Financial Assets".

J Impairment of Non-Financial Assets

- (i) The carrying amount of assets i.e., property, plant and equipment, including right-of-use-asset, investment properties, cash generating units and intangible assets other than inventories and deferred tax assets, are reviewed for impairment at each reporting date, if there is any indication of impairment based on internal and external factors.
- (ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight-line basis.

K Provisions, Contingent Liabilities and Contingent Assets

- (i) Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.
- (ii) Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
- (iii) Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for Contingent Assets are not recognised.
- (iv) Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

NOTES TO SEPARATE FINANCIAL STATEMENTS

L Intangible Assets

- (i) The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- (ii) The cost incurred for right to un-restricted usage of power transmission system for drawal of power from State grid to its Mills were capitalized as it is expected to yield future economic benefits.
- (iii) The useful lives of intangible assets are assessed as either finite or indefinite, Intangible Assets with finite lives are carried at cost less accumulated amortisation and impairment losses if any and are amortised over their estimated useful life based on straight-line method. The Company do not have any with indefinite lives. The estimated useful lives of intangible assets with finite are assessed by the internal technical team as detailed below, that are different from the useful lives prescribed under Part C of Schedule of the Companies Act, 2013:

Nature of Intangible Assets	Estimated useful life
Computer software	6 years
Power Transmission System	5 years

- (iv) The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.
- (v) The residual values, useful lives and methods of amortisation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

M Investment Properties

- (i) An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- (ii) Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land, which is carried at cost.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

- (iii) The Company identifies the significant parts of investment properties separately, which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice.
- (iv) Depreciation on investment properties are calculated on straight-line method based on useful life of the significant parts on best estimate basis upon technical advice as detailed below:

Asset type	Useful life ranging from
Buildings under Investment properties	60 years

- (v) The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.

N Operating Segments

Operating segments are identified on the basis of nature and usage of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker. The Company's business operation comprises of two operating segment viz., Textile and Windmills.

O Financial Instruments

- (i) The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets, which are categorised as equity instruments at FVTOCI, and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company.

(ii) Fair Value Hedges

Changes in the fair value of forwards contracts that are designated and qualify as fair value hedges are recognised in the income statement, together with the changes in the fair value of the hedged item that are attributable to the hedged risk. If the hedge no longer meets the criteria for hedge accounting, changes in the fair value of the hedged item attributable to the hedged risk are no longer recognized in the income statement.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

When a hedged item in a fair value hedge is a firm commitment (or a component thereof) to acquire an asset or assume a liability, the initial carrying amount of the asset or the liability that results from the entity meeting the firm commitment is adjusted to include the cumulative change in the fair value of the hedged item that was recognised in the balance sheet, with a corresponding gain or loss recognised in Profit or loss.

Financial Assets

- (iii) Financial assets comprise of investments in Equity, Loans, trade receivables, cash and cash equivalents and other financial assets.

Initial Recognition and Measurement

- (iv) All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, Trade receivables that do not contain a significant financing component are measured at transaction price.
- (v) Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognised as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).
- (vi) In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognised as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

Subsequent Measurement

(vii) For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- (a) The Company's business model for managing the financial asset and,
- (b) The contractual cash flow characteristics of the financial asset:

Based on the above criteria, the Company classifies its financial assets into the following categories:

Classification	Name of Financial Assets
Amortised Cost	Trade receivables, Loans to employees and related parties, deposits, IPA receivable, interest receivable and other advances recoverable in cash.
FVTOCI	Equity investments in companies (including compound financial instrument, which qualify as equity under Ind As 32) other than Associate as an irrevocable option exercised at the time of initial recognition.
FVTPL	Forward exchange contracts.

(viii) Financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised Cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

- (ix) The Company has accounted for its investments in associates at cost.
- (x) For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done on the following basis:

Name of Financial asset	Impairment Testing Methodology
Trade Receivables	The Company uses simplified approach wherein Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

Financial Liabilities

- (xi) Financial liabilities comprise of Borrowings, Trade payables, lease liabilities and other financial liabilities.

Initial recognition and measurement

- (xii) All the financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

- (xiii) Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognised as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 2 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input)
- (xiv) In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognised as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent Measurement

- (xv) All financial liabilities of the Company are subsequently measured at amortised cost using the effective interest except for certain items like foreign exchange forward contracts that do not qualify for hedge accounting are measured at fair through Profit or Loss (FVTPL).
- (xvi) Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the gurantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of less allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

P Fair value measurement

- (i) The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- (ii) All assets and liabilities for which fair value is measured and disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:
- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is directly or indirectly observable.
- Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is unobservable.
- (iii) For assets and liabilities that are recognised in the Balance Sheet on a recurring basis, the Company determines whether transfers have occurred between levels in

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

- (iv) For the purpose of fair value disclosures, the Company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

6. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

(i) Revenue Recognition

Significant management judgement is exercised in determining the transaction price and discounts to customer, which is based on market factors namely demand and supply. The Company offers credit period to customers for which there is no financing components.

(ii) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by the technical team at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

(iii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws under new tax regime and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law and applicable judicial precedence.

NOTES TO SEPARATE FINANCIAL STATEMENTS

(iv) Deferred Tax Asset

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained /recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(v) Provisions

The timing of recognition requires application of judgement to existing facts and circumstances that may be subject to change. The litigations and claims to which the Company is exposed are assessed by the management and in certain cases with the support of external experts. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the liability.

(vi) Segment Reporting

Management's judgement is exercised to aggregate two or more business segments as single operating segment, based on economic characteristics, products, production process and types of customer, which are similar in nature.

(vii) Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(viii) Classification of Investment

Management judgement is exercised in determining the following criteria while making classification of investments:

- the intention of the Company to sell the investment immediately;
- the sale is highly probable;
- it is unlikely that significant change to the sale plan will be made and;
- that plan will not be withdrawn.

Based on this judgement, the investments are classified as "Investment held for sale", if all the above criteria are met and continue to classify the investment as "Non-current investment", if the above criteria are not met.

(ix) Impairment of Trade Receivables

The impairment for trade receivables are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

(x) Impairment of Non-financial assets (PPE / Intangible Assets / Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

(xi) Impairment of Investments in Associates

Significant management judgement is exercised in determining whether the investment in associates are impaired or not is on the basis of its nature of long term strategic investments and business projections.

(xii) Defined Benefit Plans and Other Long Term Benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(xiii) Determination of lease term of contracts as non-cancellable term

Significant management judgement is exercised in determining the lease term as non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised, by considering all relevant factors that create an economic incentive for it to exercise either the renewal or termination.

(xiv) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(xv) Interests in Other Entities

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is a significant influence over certain companies belonging to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

NOTE NO. 44

As per Ind AS 19, the disclosures pertaining to "Employee Benefits" are given below:

(₹ in Lakhs)

Particulars	2024-25	2023-24
Defined Contribution Plan:		
Employer's Contribution to Provident Fund	184.61	178.86
Employer's Contribution to Superannuation Fund	13.14	12.12

Defined Benefit Plan - Gratuity

The Gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company read with Payment of Gratuity Act, 1972. This is a defined plan in nature. The Company makes annual contributions to "Sri Vishnu Shankar Mill Limited Employees' Gratuity Fund" administered by the Trustees and managed by LIC of India, based on the Actuarial Valuation by an Independent external actuary as at the Balance Sheet date using Projected Unit Credit method. The Company has the exposure of actuarial risk such as adverse salary growth, change in demography experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risks.

DISCLOSURE OF FAIR VALUE MEASUREMENTS

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments and investment properties by valuation technique:

Level 1: Quoted (Unadjusted) prices in active markets for identical assets or liabilities

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

NOTE NO. 49

FINANCIAL RISK MANAGEMENT

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyze the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

NOTES TO SEPARATE FINANCIAL STATEMENTS

Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. In case of Corporate / Export Customer, credit risks are mitigated by way of enforceable securities. However, unsecured credits are extended based on creditworthiness of the customers on case-to-case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the Company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

Carrying amount of trade receivables net of impairment	2,396.83	612.67	209.78	786.06	4,005.34

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with Banks. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows.

Fund Management

Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of cotton, capital goods & spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract Packing Credit Foreign currency which acts as natural hedge against export Receivable. The Company enters the above transactions, after taking into consideration the anticipated Foreign exchange inflows/outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company uses derivative financial instruments viz., Foreign Exchange Forward Contracts exclusively for hedging currency risks that arise from imports / exports transactions. The Company measures the risk by forecasting foreign currency cash flows and manages its currency risks by appropriately hedging the transactions. When a forward contract is entered into for the purpose of being a hedge, the Company finalizes the terms of those forward contracts to match the terms of the hedged exposure i.e. receivables / payables / Firm Commitments. All identified exposures are managed as per the policy duly approved by the Board of Directors.

Cash flow and fair value interest rate risk

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.

evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Information other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the Standalone Financial Statements, Consolidated Financial Statements and our audit report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Financial Statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Company's Management and Board of Directors are responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Act that give a true and fair view of the Consolidated Financial Position, Consolidated Financial Performance (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and Consolidated Cash Flow of the Company including its Associates in accordance with the accounting principles generally accepted in India and including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.

The respective Management and Board of Directors of the Company and its Associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting

policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the Company and its Associates are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Management and Board of Directors either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Consolidated Financial Statements are also responsible for overseeing the financial reporting process of its entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We, also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of Internal Financial Control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company and its Associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities included in the Consolidated Financial Statements to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- i. Planning the scope of our audit work and in evaluating the results of our work; and

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

ii. To evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Consolidated Financial Statements include the Company's share of Profit after tax of ₹ 548.51 Lakhs and total comprehensive income of ₹ 536.09 Lakhs for the year ended 31 March 2025 as considered in the Consolidated Audited Financial Statements in respect of all three associates. All of these Financial Statements are audited by an Independent Auditor.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is based on the Financial Statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

A. There has been no qualification or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) report of the Companies included in the Consolidated Financial Statements.

AUDITORS' REPORT TO SHAREHOLDERS

B. As required by Section 143(3) of the Act, based on our Audit report, we report, to the extent applicable, that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
2. In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and reports of the other auditors.
3. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
4. In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
5. On the basis of the written representations received from the Directors of the Company as on 31 March 2025 taken on record by the Board of Directors of the Company and the reports of the Statutory Auditor of the associate companies, none of the Directors of the Company and its associate companies are disqualified as on 31 March 2025 from being appointed as a Director in terms of Section 164 (2) of the Act.
6. We have enclosed our separate report in "Annexure A" with respect to the adequacy of the Internal Financial Controls over financial reporting of the entities in the Company and associate companies and the operating effectiveness of such controls.

Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Internal Financial Controls over financial reporting of entities in the Company and the associate companies.

7. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

AUDITORS' REPORT TO SHAREHOLDERS

- i. The Consolidated Financial Statements disclose the impact of pending litigations / claims against the Group as at 31 March 2025 on the Consolidated Financial Position of the Group - Refer note no. 43 to the Consolidated Financial Statements.
- ii. The Company and associate companies did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts required to be transferred by the company to the Investor Education and Protection Fund.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - Whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries"), or
 - Provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Management has represented to us that, to the best of their knowledge and belief, no funds have been received by the from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - Whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or
 - Provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.

that the representations under sub-clause (iv)(a) and (iv)(b), contain any material misstatement.

- v. There is no dividend declared or paid during the year by the Company and hence compliance under Section 123 of the Act does not arise.
 - vi. The Company has used accounting softwares for maintaining its books of account for the financial year ended 31 March 2025, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- C. With respect to the matter to be included in the Audit report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any Director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

AUDITORS' REPORT TO SHAREHOLDERS

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS DRAWN IN ACCORDANCE WITH THE INDIAN ACCOUNTING STANDARDS, OF SRI VISHNU SHANKAR MILL LIMITED

Report on the Internal Financial Controls over the Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("Act")

Opinion

We have audited the Internal Financial Controls over financial reporting of Sri Vishnu Shankar Mill Limited ("the Company") and its associates as of 31 March 2025 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on 31 March 2025.

In our opinion, to the best of our information and according to the explanations given to us, the Company and its Associates have, in all material respects, an adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibilities for Internal Financial Controls

The respective Management and Board of Directors of the Company and its Associate Companies are responsible for establishing and maintaining Internal Financial Controls based on internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibilities

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the SAs, prescribed under section 143(10) of the Act, to the extent applicable to an audit of Internal Financial Controls and both applicable to an audit of Internal Financial Controls and, both

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

issued by ICAI. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Controls system over financial reporting.

Other Matters

We have relied on a) our audit of the Company, b) management certification in the case of associates which were audited by other auditors.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Corporate Information

Sri Vishnu Shankar Mill Limited (“the Company”) is a Public Limited Company within the meaning of the Companies Act, 2013, domiciled and headquartered in India. The Registered office of the Company is located at Sri Vishnu Shankar Mill Premises, P.A.C. Ramasamy Raja Salai, Rajapalayam - 626 117, Tamil Nadu.

The Company is engaged in manufacture of Cotton Yarn. The Company is also engaged in generation of electricity from its windmills for its captive requirements.

The CFS comprises the financial statements of Sri Vishnu Shankar Mill Limited and its associate Companies. The following companies are consolidated as Associates based on existence of significant influence over such companies:

Name of the Company	% of Holding & Voting Rights	
	31-03-2025	31-03-2024
The Ramco Cements Limited	1.31%	1.31%
Rajapalayam Mills Limited	0.40%	0.40%
The Ramaraju Surgical Cotton Mills Limited	0.06%	0.06%

The above Companies are incorporated in India and financial statements of the respective Companies are drawn upto the same reporting date as that of the Company (i.e.,) 31-03-2025.

2. Presentation & rounding norms

The Consolidated Financial Statements of the Company for the year were approved as adopted by Board of Directors of the Company in their meeting dated 29-09-2025.

The financial statements are presented in Indian Rupees, which is the company's functional currency, rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.

Previous year figures have been re-grouped / restated wherever it may be appropriate.

3. Statement of Compliance

The Consolidated Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015, as amended from time to time, presentation requirements of Division II of Ind AS compliant Schedule III of the Companies Act, 2013 and guidelines issued by the Securities and Exchange Board of India, wherever applicable

4. New standard or amendments to the existing accounting standards issued and effective from 01-04-2024 onwards.

(a) Ind AS 117 on Insurance Contracts

The Ministry of Corporate Affairs (MCA) has notified Ind AS 117 - Insurance Contracts, replacing Ind AS 104, effective for annual reporting periods beginning on or after 1st April, 2024. The standard applies to insurance contracts and certain financial instruments that transfer significant insurance risk. Ind AS 117 specifically excludes financial guarantee contracts unless the issuer has previously asserted that such contracts are treated as insurance contracts and has applied insurance accounting. In such cases, the issuer is permitted to make an irrevocable election, on a contract-by-contract basis, to apply either Ind AS 117 or the relevant financial instruments standards viz. Ind AS 32, Ind AS 107, and Ind AS 109.

The Company does not issue insurance contracts in the ordinary course of business and has not previously treated any financial guarantee contracts as insurance contracts. Accordingly, financial guarantee contracts continue to be accounted for under Ind AS 109 Financial Instruments.

As a result, the adoption of Ind AS 117 has no impact on the financial statements for the year ended 31st March, 2025.

(b) Ind AS 116: Sale and leaseback transaction amendment

The Ministry of Corporate Affairs (MCA) has notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which introduced amendments to Ind AS 116 - Leases, effective from 1st April, 2024. These amendments specifically address the accounting for sale and leaseback transactions involving variable lease payments not based on an index or rate.

The amendment introduces paragraph 102A, which provides guidance on the subsequent accounting for lease liabilities and Right of- Use (ROU) assets arising from such transactions. However, as the company does not currently have any sale and leaseback transactions, this amendment does not have any impact on the company's financial statements for the year ended 31st March, 2025.

5. Material Accounting Policies

A. Inventories

- (i) Raw-materials, Stores & Spares, Fuel, packing materials etc., are valued at cost, determined and weighted average basis, or net realisable value whichever is lower. However, the those items are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (ii) Process stock is valued at weighted average cost including the cost of conversion with systematic allocation of production overheads based on normal capacity of production facilities but excluding borrowing cost, or net realisable value whichever is lower.
- (iii) Finished goods are valued at cost or net realisable value whichever is lower.

B. Statement of Cash Flows

- (i) Cash flows from operating activities is presented using Indirect Method.
- (ii) Cash and cash equivalents for the purpose of Statement of Cash Flows comprise cash and cheques in hand, bank balances, demand deposits, with banks where the original maturity is three months or less and other short-term highly liquid investments, which are subject to insignificant risk of changes in value.
- (iii) Bank borrowings including Bank overdrafts / Cash Credits, which are repayable on demand, form an integral part of the Company's cash management.

C. Income Taxes

- (i) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the tax rates (and tax laws) that have been enacted at the reporting date.
- (ii) Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- (iii) Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.
- (iv) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- (v) Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- (vi) Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in Other Comprehensive Income.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

D. Property, plant and equipments (PPE)

- (i) PPEs are stated at cost of acquisition or construction less accumulated depreciation and impairment losses if any, except freehold land which is carried at cost. The cost includes directly attributable cost of bringing the asset to its working condition for the intended use and borrowing cost if capitalisation criteria are met.
- (ii) Spares, which meet the definition of PPE, are capitalised from the date when it is available for use. The Company identifies the significant parts of plant and equipment separately, which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives.
- (iii) The present value of the expected cost for the decommissioning of PPE after its use, if materially significant, is included in the cost of the respective asset when the recognition criteria are met.
- (iv) Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.
- (v) The Company follows the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical advice, as detailed below:

Type of Plant and Machinery	Useful life of such components ranging from
Textile Machineries / Equipment	2 to 20 years
Wind Mills	22 to 30 years
HFO / DG Set	12 to 25 years
Electrical Machineries	3 to 25 years

- (vi) PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balance cash transaction amount. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- (vii) Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight-line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value, except for process control systems whose residual value is considered as Nil.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (viii) Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion / disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- (xi) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively, if appropriate.

Capital Work in progress / Capital Advances

- (x) Capital work-in-progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.
- (xi) Advances given towards acquisition / construction of PPE outstanding at the reporting date are disclosed as 'Capital Advances' under 'Other Non-Current Assets'.

E. Leases

Company as a Lessee

- (i) The Company recognises a Right-to-use (RoU) asset and a lease liability at the lease commencement date for all leases where non-cancellable leases is more than 12 months.
- (ii) The RoU asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of right-of-use asset or the end of the lease term, as follows:

Nature of RoU	Useful life ranging from
Land	99 years
Building	20 years

- iii) The estimated useful lives of right-of-use assets are determined on the same basis as those of property and plant equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.
- (iv) The lease liability is measured at amortised cost using the effective interest method. It is re-measured when there is a change in future lease payments arising from a

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

change in an index rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase extension or termination option.

- (v) When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit or Loss if the carrying amount of the right-of-use asset has been reduced to zero.
- (vi) The Company presents right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities as a separate line item on face of the Balance sheet.
- (vii) The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Lease Improvements

- (viii) Lease improvements on a right-of-use asset (RoU) made by the Company, which enhance the value, functionality, or extend the useful life of the leased asset, shall be recognized as assets and capitalized in the same category of RoU asset under 'Property, Plant and Equipment', if capitalization criteria are met.
- (ix) Lease improvements recognized as assets shall be initially measured at cost, which includes all directly attributable costs incurred to bring the improvements to their present condition and location.
- (x) The lease improvements on RoU assets are depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of lease improvement or the end of the lease term.

Company as a Lessor

- (xi) Operating lease receipts are recognised in the Statement of Profit and Loss on straight line basis over the lease terms except where the payments are structured to increase in line with the general inflation to compensate for the expected inflationary cost increases. The Company do not have any finance leases arrangements.

F. Revenue from Operations

(i) Sale of Products including Scrap Sales

Revenue from product sales including scrap sales is recognized at the point in time when the obligation of delivery of goods is fulfilled in accordance with the agreed delivery terms while control of such goods is transferred to customers. The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring goods to the customer. The Company provides discounts to customers on the achievement of the performance criteria based on agreed terms and conditions. There is no significant financing component with regard to sale of products for the company as per Ind AS 115.

(ii) Power generated from Windmills

Power generated from windmills that are covered under Wheeling and Banking arrangement with TANGEDCO are consumed at mills. The monetary values of such power generated that are captively consumed are not recognized as revenue but have been set off against the cost of Power & Fuel.

The value of unadjusted units available if any, at the end of the financial year and sold to the Electricity Board at an agreed rate / tariff rate are recognized and shown as income from Wind Mills.

G. Other Income

- i. Interest income is recognised using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period where appropriate, the gross carrying amount of the financial asset or to the amortised cost of a financial liability.
- ii. Dividend income is recognised when the Company's right to receive dividend is established.
- iii. Rental income from operating lease on investment properties is recognised on a straight-line basis over the term of the relevant lease.

H. Employee Benefits

Short Term Employee Benefits

- (i) Short-term employee benefits viz., Salaries and Wages are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

Post-employment benefits

Defined Contribution Plan

- (ii) The Company contributes monthly to Employees' Provident Fund & Employees' Pension Fund administered by the Employees' Provident Fund Organisation, Government of India, at 12% of employee's basic salary.
- (iii) The Company contributes to Superannuation Fund at a sum equivalent to 15% of the officer's eligible basic salary as the case may be, based on the option exercised by such officers.
- (iv) Contributions to Provident Fund and Superannuation Fund are recognized as an expense in the Statement of Profit and Loss for the year in which the employees have rendered services. There are no further obligations except for the above said contributions.

Defined Benefit Plan

- (v) The Company contributes to Defined Benefit Plan viz., an approved Gratuity Fund, for its employees including employees in subsidiary Company. It is in the form of lump sum payments to vested employees on resignation, retirement, death while in employment or on termination of employment, for an amount equivalent to 15 days' basic salary for each completed year of service. Vesting occurs upon completion of five years of continuous service. Based on the valuation by an independent external actuary, the Company makes annual contributions to the trust administered by the Company as at the reporting date using Projected Unit Credit method. The funds are managed by LIC of India.
- (vi) Re-measurement of net defined benefit asset / liability comprising of actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged / credited to other comprehensive income in the period in which they arise and immediately transferred to retained earnings. Other costs are accounted in the Statement of Profit and Loss.

Other Long Term Employee Benefits

- (vii) The Company provides for expenses towards compensated absences provided to its employees. The expense is recognized at the present value of the amount payable determined based on an independent external actuarial valuation as the Balance Sheet date, using Projected Unit Credit method. The Company presents the entire compensated absences as 'Short-Term provisions' since employee has an unconditional right to avail the leave at any time during the year.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(viii) Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits at the earlier of the following dates: (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the Company recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

I. Government Grants

- (i) Government grants are recognised at fair value where there is a reasonable assurance that the grant will be received and all the attached conditions are complied with.
- (ii) In case of revenue related grant, the income is recognised on a systematic basis over the period for which it is intended to compensate an expense and is disclosed under "Other Income" or netted off against corresponding expenses wherever appropriate. Receivables of such grants are shown under "Other Financial Assets".
- (iii) Government grants related to assets have been deducted in arriving at the carrying amount of the respective assets.
- (iv) Government grants for cration of infrastructure in the backward areas under State Industrial Promotion Scheme, it is recognised as deferred Income and Creditors to the Statement of Profit and Loss on a systematic basis over the useful life of the asset.
- (v) Export benefits are accounted for the year of exports based on eligibility and when there is uncertainty in receiving the same. Receivables of such benefits are shown under "Other Financial Assets".

J. Impairment of Non-Financial Assets

- (i) The carrying amount of assets i.e., property, plant and equipment, including right-of-use-asset, investment properties, cash generating units and intangible assets other than inventories and deferred tax assets, are reviewed for impairment at each reporting date, if there is any indication of impairment based on internal and external factors.
- (ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight-line basis.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

K. Provisions, Contingent Liabilities and Contingent Assets

- (i) Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.
- (ii) Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
- (iii) Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for Contingent Assets are not recognised.
- (iv) Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

L. Intangible Assets

- (i) The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- (ii) The cost incurred for right to un-restricted usage of power transmission system for drawal of power from State grid to its Mills were capitalized as it is expected to yield future economic benefits.
- (iii) The useful lives of intangible assets are assessed as either finite or indefinite, Intangible Assets with finite lives are carried at cost less accumulated amortisation and impairment losses if any and are amortised over their estimated useful life based on straight-line method. The Company do not have any with indefinite lives. The estimated useful lives of intangible assets with finite are assessed by the internal technical team as detailed below, that are different from the useful lives prescribed under Part C of Schedule of the Companies Act, 2013:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Nature of Intangible Assets	Estimated useful life
Computer Software	6 years
Power Transmission System	5 years

- (iv) The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.
- (v) The residual values, useful lives and methods of amortisation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

M. Investment Properties

- (i) An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- (ii) Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land, which is carried at cost.
- (iii) The Company identifies the significant parts of investment properties separately, which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice.
- (iv) Depreciation on investment properties are calculated on straight-line method based on useful life of the significant parts on best estimate basis upon technical advice as detailed below:

Asset type	Useful life
Buildings under Investment properties	60 years

- (v) The residual values, useful lives and methods of depreciation of investment properties are reviewed at each reporting date and adjusted prospectively, if appropriate.

N. Operating Segments

Operating segments are identified on the basis of nature and usage of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker. The Company's business operation comprises of two operating segment viz., Textile and Windmills.

O. Financial Instruments

(i) The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets, which are categorised as equity instruments at FVTOCI, and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company.

(ii) **Fair Value Hedge**

Changes in the fair value of forwards contracts that are designated and qualify as fair value hedges are recognised in the income statement, together with the changes in the fair value of the hedged item that are attributable to the hedged risk. If the hedge no longer meets the criteria for hedge accounting, changes in the fair value of the hedged item attributable to the hedged risk are no longer recognized in the income statement. When a hedged item in a fair value hedge is a firm commitment (or a component thereof) to acquire an asset or assume a liability, the initial carrying amount of the asset or the liability that results from the entity meeting the firm commitment is adjusted to include the cumulative change in the fair value of the hedged item that was recognised in the balance sheet, with a corresponding gain or loss recognised in Profit or loss.

Financial Assets

(iii) Financial assets comprise of investments in equity, loans, trade receivables, cash and cash equivalents and other financial assets

Initial recognition and measurement

(iv) All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, Trade receivables that do not contain a significant financing component are measured at transaction price.

(v) Where the fair value of a financial asset at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognised as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 1 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input).

(vi) In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognised as a gain or loss in the Statement of Profit and Loss only to the extent

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial asset.

Subsequent measurement

(vii) For subsequent measurement, the Company classifies a financial asset in accordance with the below criteria:

- (a) The Company's business model for managing the financial asset and,
- (b) The contractual cash flow characteristics of the financial asset:

Based on the above criteria, the Company classifies its financial assets into the following categories:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans to employees and related parties, deposits, IPA receivable, interest receivable and other advances recoverable in cash.
FVTOCI	Equity investments in companies (including compound financial instrument, which qualify as equity under Ind AS 32) other than Associate as an irrevocable option exercised at the time of initial recognition.
FVTPL	Forward exchange contracts.

(viii) Financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

- (ix) The Company has accounted for its investments in associates at cost.
- (x) For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

share similar credit risk characteristics. Accordingly, the impairment testing is done on the following basis:

Name of Financial Asset	Impairment testing methodology
Trade receivables	The Company uses simplified approach wherein Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

Financial Liabilities

(xi) Financial liabilities comprise of Borrowings, Trade payables, lease liabilities and other financial liabilities.

Initial recognition and measurement:

(xii) All the financial liabilities are recognised initially at fair value minus, in the case of financial liabilities not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial liability.

(xiii) Where the fair value of a financial liability at initial recognition is different from its transaction price, the difference between the fair value and the transaction price is recognised as a gain or loss in the Statement of Profit and Loss at initial recognition if the fair value is determined through a quoted market price in an active market for an identical asset (i.e. level 2 input) or through a valuation technique that uses data from observable markets (i.e. level 2 input)

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(xiv) In case the fair value is not determined using a level 1 or level 2 input as mentioned above, the difference between the fair value and transaction price is deferred appropriately and recognised as a gain or loss in the Statement of Profit and Loss only to the extent that such gain or loss arises due to a change in factor that market participants take into account when pricing the financial liability.

Subsequent measurement

(xv) All financial liabilities of the Company are subsequently measured at amortised cost using the effective interest except for certain items like foreign exchange forward contracts that do not qualify for hedge accounting are measured at fair through Profit or Loss (FVTPL).

(xvi) Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

P. Fair value measurement

(i) The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

(ii) All assets and liabilities for which fair value is measured and disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is unobservable.

(iii) For assets and liabilities that are recognised in the Balance Sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (iv) For the purpose of fair value disclosures, the Company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

6 Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

(i) Revenue Recognition

Significant management judgement is exercised in determining the transaction price and discounts to customer, which is based on market factors namely demand and supply. The Company offers credit period to customers for which there is no financing components.

(ii) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by the technical team at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation/amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

(iii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws, under new tax regime and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law and applicable judicial precedence.

(iv) Deferred Tax Asset

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(v) Provisions

The timing of recognition requires application of judgement to existing facts and circumstances that may be subject to change. The litigations and claims to which the company is exposed are assessed by the management and in certain cases with the support of external experts. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the liability.

(vi) Segment Reporting

Management's judgement is exercised to aggregate two or more business segments as single operating segment, based on economic characteristics, products, production process and types of customer, which are similar in nature.

(vii) Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(viii) Classification of Investment

Management judgement is exercised in determining the following criteria while making classification of investments:

- the intention of the Company to sell the investment immediately;
- the sale is highly probable;
- it is unlikely that significant change to the sale plan will be made and;
- that plan will not be withdrawn.

Based on this judgement, the investments are classified as "Investment held for sale", if all the above criteria are met and continue to classify the investment as "Non-current investment", if the above criteria are not met.

(ix) Impairment of Trade receivables

The impairment for trade receivables are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

(x) Impairment of Non-financial assets (PPE / Intangible Assets / Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(xi) Impairment of Investments in Associates

Significant management judgement is exercised in determining whether the investment in associates are impaired or not is on the basis of its nature of long term strategic investments and business projections.

(xii) Defined Benefit Plans and Other Long Term Benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(xiii) Determination of lease term of contracts as non-cancellable term

Significant management judgement is exercised in determining the lease term as non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised, by considering all relevant factors that create an economic incentive for it to exercise either the renewal or termination.

(xiv) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model / Net Asset Value Method, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(xv) Interests in other entities

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is a significant influence over certain companies belonging to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

Defined Benefit Plan - Gratuity

The Gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company read with Payment of Gratuity Act, 1972. This is a defined plan in nature. The Company makes annual contributions to "Sri Vishnu Shankar Mill Limited Employees' Gratuity Fund" administered by the Trustees and managed by LIC of India, based on the Actuarial Valuation by an Independent external actuary as at the Balance Sheet date using Projected Unit Credit method. The Company has the exposure of actuarial risk such as adverse salary growth, change in demography experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risks.

DISCLOSURE OF FAIR VALUE MEASUREMENTS

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The details of financial instruments that are measured at fair value on recurring basis are given below:

NOTE NO. 50

FINANCIAL RISK MANAGEMENT

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyze the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. In case of Corporate / Export Customer, credit risks are mitigated by way of enforceable securities. However, unsecured credits are extended based on creditworthiness of the customers on case-to-case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with Banks. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows.

Fund Management

Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of cotton, capital goods & spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract packing credit Foreign Currency which acts as natural hedge againsty export Receivable. The Company enters the above transactions, after taking into consideration the anticipated Foreign exchange inflows / outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company uses derivative financial instruments viz. Foreign Exchange Forward Contracts exclusively for hedging currency risks that arise from imports / exports transactions. The Company measures the risk by forecasting foreign currency cash flows and manages its currency risks by appropriately hedging the transactions. When a forward contract is entered into for the purpose of being a hedge, the Company finalizes the terms of those forward contracts to match the terms of the hedged exposure i.e. receivables / payables / Firm Commitments. All identified exposures are managed as per the policy duly approved by the Board of Directors.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Cash flow and fair value interest rate risk

(₹ in Lakhs)

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.
